We would like to introduce you to our company.

We are a company operating under the name of Holland Bazaar Ltd (T/A Holland Bazaar Cash & Carry) as a part of CDH Matur Holdings Limited (Company number 11059072) Based in London, United Kingdom.

We were founded in 2002 as fruit & vegetable wholesaler, Holland Bazaar Ltd previously known as Fruit Deniz Ltd (Reg No: 04577156). We believe that we have brought innovation to the UK market by changing our traditional business of Fruit & Vegetable wholesaler to UK's 1st and only 24-hour Cash & Carry, entering the industry in 2014.

We have transformed dramatically, with thousands of products ranging from confectionery to frozen food, catering supplies and Fruit & vegetable. We are pleased to be able to supply all the necessary products to the food sector, including hundreds of supermarkets, restaurants, cafes and catering companies, within the UK, we are also proud to say That the company has achieved a massive turnover of £99 million in the previous year.

We have more than 200 employees, at Holland Bazaar Ltd and believe, that we play an important role in helping stimulate economic growth by providing employment opportunities to local people, both skilled & unskilled. We are also proud to provide opportunities to small entrepreneurs in helping them to introduce their products & company via our company in order to start up their business.

Our success has led the firm to grow further by high demand which led us to open our 2nd branch in Croydon south London and a distribution center.

Our customers range from businesses to private individuals and are not confined to the area of London only, as we became the number 1 choice for many customers all around the United Kingdom.
