## ABOUT US

Holland Bazaar was founded in 2002 as a Fruit & Vegetable wholesaler. As our business expanded, we continued to bring innovation to the sector, becoming the UK's 1st and only 24-hour Cash & Carry in 2014. We have transformed dramatically, with thousands of products now stocked ranging from confectionery to frozen food, catering supplies, and all the necessary products for the food sector and now supply hundreds of supermarkets, restaurants, cafes, and catering companies, within the UK.

With our vast experience in Fruit & Vegetable wholesale, we believe we should be your number one choice too. We are extremely proud of what the company has achieved and believe that we play an important role in helping stimulate economic growth by helping small entrepreneurs build their businesses. Our customers range from businesses to private individuals and are not confined to the area of London only, as we became the number 1 choice for many customers all around the United Kingdom.
